

SCALLYWAGS PIRATE ADVENTURES

Audition Script

Pirate: “Gather around me hearties and listen well for I am about to tell you a tale. A tale of treachery and deceit. It is the tale of a blood thirsty pirate by the name of Captain Skull!

You see mates, Captain Skull use to be a member of me very own crew until, one day, he got it in his head that he’d make a better captain then our beloved Captain Redbeard. So, he led a mutiny against us! As you can imagine, we didn’t take to kindly to that. So, we defeated Captain Skull, marooned him on an island, and left him to die!

Well, maties, it grieves me to inform you that Captain Skull escaped that island. Not only that, he has sworn vengeance against our crew. He wants to take our ship and steal our treasure! Are we going to let that happen?!”
